

5 Strategies To Fight Back Illegal Mandates For Masks and The JAB

1. Give them the Informed Consent Form. Ask 2 additional questions in an email and/or Questions. Can you give me in writing the scientific proof that SARS Cov-2 (Covid 19 and all variants) has been 100% isolated? And, can you show me In writing where Governor Brown has the Oregon Constitution Article 1, Section 20 Authority from the legislature for unending and infinite Emergency Powers?

2. Don't do anything. Just show up to work with no mask.
3. Give them a religious exemption. DO NOT USE THEIR FORMS. I do not encourage you do this. It's a band aid approach to the root of the problem.
4. Do NOT quit. Make them fire you. And then join a Wrongful Termination class action lawsuit. You will win back your lost wages, benefits and a retirement settlement better than any your job offered. This may take a couple years. In the meantime, there are plenty of good jobs not requiring masks or VAXXED mandates.
5. Planned employee WALK OUT. Pick a date and everyone calls in sick. Do this for as many days as possible to squash business operations. They must feel the pain of loss of revenue as well as the power of We The People.

Please refer to ORS165.540 when recording conversations. You should always ask the other party for permission to record before doing so.
